WHY SHOULD YOU CHOOSE ACADEMY OF COMPUTERS ONLY

STUDENT COORDINATOR

Each Education centre has a student coordinator to whom students can approach in case of any query. Coordinator is always available to guide the students & see that the queries are properly attended.

LIBRARY

For the convenience of the students we provide the library facility in each centre so that students can expand their knowledge by going through the different authors books. Each centre of **AOC** has an exciting collection of reference books and students are encouraged to use them. Latest books, periodicals & magazines are integral part of our library.

COMPUTER LAB

The Computer Labs are designed in such a way that students can gain more practical knowledge and enhance their ability for logical development in problem solving. The additional advantage of E.P.T. (Extra Practical Time) facility helps students to gain Confidence.

PERSONALITY DEVELOPMENT

Special sessions are arranged frequently for the students to equip them with slices of inter personal relationship. It also helps the students to develop confidence & improve their Time Management Skills.

COURSE MATERIALS

On joining any course, the course material is provided by each centre. The course material has been developed by expert authors who have 10+ years experience in developing courseware for training centres.

PLACEMENT FACILITY

The institute also contacts its talented students with various companies and also sends them for interviews as per the requirement of those companies.
